

DON'T MISS OUT - REGISTER NOW FOR FASTER BROADBAND!

- ✓ Can't use Skype or Real Player ?
- ✓ Can't process online payments quick enough ?
- ✓ Is your business limited by your connection speed?
- ✓ Do poor download / upload speeds impact the efficiency of your business?

Devon and Somerset County Councils are working to bring faster broadband to rural areas and have secured money from the government with two main aims-

Improved broadband (>2mbps) to every business and community across Devon and Somerset by 2015

Superfast broadband (>24mbps) to at least 85% of the area by 2015, with 100% by 2020
