

DON'T MISS OUT - REGISTER NOW FOR FASTER BROADBAND!

- ✓ Is your child's education being disadvantaged because of poor internet connectivity at home?
- ✓ Are they unable to access new media and technology to help them with school projects?
- ✓ Can they download learning material outside of the classroom?
- ✓ Do slow download/upload speeds prevent you from using the internet effectively (iPlayer etc)?

Devon and Somerset County Councils are working to bring faster broadband to rural areas and have secured money from the government with two main aims-

Improved broadband (>2mbps) to every community and business across Devon and Somerset by 2015

Superfast broadband (>24mbps) to at least 85% of the area by 2015, with 100% by 2020
